

## The Art Gallery of Ontario Director, Philanthropy

---

### THE OPPORTUNITY

The Art Gallery of Ontario (AGO), is seeking a **Director, Philanthropy** to lead strategy development and implementation of fundraising programs designed to drive growth, strengthen the donor pipeline, deepen donor relationships, and provide donors with excellent stewardship.

This is a very exciting time for the AGO as we forge ahead in being recognized as a global leader in the art world. This is a time that calls for people with vision, dedication and an innovative spirit. For this reason, we are seeking a candidate who is passionate or interested in learning about art and its positive impact on society, who can lead with commitment and accountability, and who can inspire and engage employees, volunteers and donors in our AGO 2028 vision.

Reporting to the Chief Development Officer (CDO), the Director will oversee a high-performing Philanthropy team currently responsible for generating approximately \$6.5M in annual revenue to support annual operations and long-term priorities, with a mandate for continued growth. Revenue streams include major and leadership gifts, foundation and government grants, planned giving, and gifts of art.

The Director will manage a personal portfolio of major gift prospects, leading strategies to identify, cultivate, solicit, and steward donors in collaboration with senior leadership. Success in this role requires excellent relationship-building abilities and strong expertise in donor lifecycle management.

A key leadership responsibility includes coaching and developing a results-driven team with clarity and inspiration, fostering a culture of excellence, accountability, and continuous growth. The Director will work cross-functionally with internal stakeholders, volunteers, and committees to strengthen a collaborative and organization-wide culture of philanthropy.

The ideal candidate brings a strategic mindset, emotional intelligence, and a commitment to diversity, equity, and inclusion, along with the ability to build authentic, respectful relationships across diverse communities. The successful candidate will be a leader who inspires engagement and aligns stakeholders around shared goals.

As a member of the Development leadership team, the Director will contribute to broader divisional strategy and play a central role in advancing AGO's mission to promote community, creativity, and culture in Toronto and beyond.

If preferred, this role offers the opportunity to work in a hybrid model (4 days at the AGO/1 day remotely) and includes occasional work on evenings and weekends, as dictated by programming and fundraising events. Limited travel may be required for 1 to 2 trips per year internationally, so a valid passport is needed.

## ABOUT THE AGO

The Art Gallery of Ontario (AGO) is one of North America's largest and most distinguished art museums, located in the cultural heart of Toronto — one of the most diverse and globally connected cities in the world.

Founded in 1900, the AGO houses a collection of more than 120,000 works spanning the first century to today. The collection includes significant Indigenous and Canadian art, the renowned Thomson Collection of European masterpieces and ship models, and an expanding global contemporary program. In 2008, the museum's architectural transformation by architect Frank Gehry further cemented its place as an international cultural landmark. Scheduled to open in 2027, the AGO's new Dani Reiss Modern and Contemporary Gallery will further share great art and experiences with local, national and international audiences

The AGO serves hundreds of thousands of visitors annually and plays a central role in shaping Canada's artistic and cultural dialogue by presenting wide-ranging exhibitions and programs, including solo exhibitions and acquisitions by diverse and underrepresented artists from around the world. Its exhibitions, acquisitions, public programs, and educational initiatives position it as both a steward of history and a champion of contemporary voices.

In 2019, the AGO launched a bold new initiative designed to make the museum even more welcoming and accessible with the introduction of free admission for Ontarians 25 years and under and a \$40 annual pass.

The Art Gallery of Ontario is funded in part by the Ontario Ministry of Tourism, Culture and Sport. Additional operating support is received from the City of Toronto, the Canada Council for the Arts, and generous contributions from AGO members, donors, and private-sector partners.

The Art Gallery of Ontario is not simply a museum — it is a civic anchor, a global cultural voice, and a platform for artistic innovation in one of the world's most dynamic cities.

## PHILANTHROPY AT THE AGO

The AGO is truly the Gallery of Us—because we simply could not do what we do without the support of our community. In 2024–25, this included:

- ❖ \$16.1 million in donations, memberships, bequests, and corporate sponsorships
- ❖ \$47.5 million in the value of artworks gifted to the AGO
- ❖ \$16.5 million in gifts of funds for capital projects, including the Dani Reiss Modern and Contemporary Gallery
- ❖ \$26.8 million in growth of the Endowment value and new contributions to The AGO Foundation, which stewards a portfolio of \$140 million for the benefit of the AGO

As a beacon of cultural significance and creative exhibition, we have been supported throughout the years by a generous community of members, patrons, private-sector partners and art enthusiasts from across the country. In addition, we are funded in part by the Ontario Ministry of Tourism, Culture and Sport, the City of Toronto, and the Canada Council for the Arts.

Our fundraising programs include major gifts, leadership gifts, bequests, annual giving and special events, as well as gifts of art and other in-kind donations. In total, private sector revenues, including memberships, individual and corporate giving, sponsorships, and fundraising events, represent approximately 30% of total operating revenues.

Currently we raise about \$25M per year in philanthropic support for operations, capital, and other designated funding. These results have risen exponentially during our major campaign, which is the most ambitious in AGO history in an effort to raise funds for capital, endowment, expendable gifts and works of art in support of our 10-year strategic vision, AGO2028.
